

INTERNATIONAL FACULTY EXCHANGE & INTERNATIONAL FACULTY TRAINING

Selection Criteria

The selection criteria is set by the Project Implementation Team of New Delhi and is uniform for the whole country. The declared criteria is as follows:

- The faculty should be below 58 years of age.
- Sixty percent of the slots will be reserved for faculty less than 40 years age for whom, the training will be compulsorily of three months duration.
- 25% of the slots under IDP will be for faculty above 40 and below 50 years of age and the training programme shall not be more than three months duration.
- 15% of the slots under IDP will be for faculty above 50 and below 58 years of age and the training period shall not be more than two weeks duration in leadership/skill development/management.
- The faculty identified for training up to 50 years of age category should have at least two publications in the area identified for training in reputed peer reviewed journals (not less than a NAAS rating of 7.0) and not less than 10 citations.
- Faculty members of ICAR-accredited courses of the University may apply.
- The faculty members have to submit a project, detailing the urgency of their foreign visit and the learning agenda in light of their contributions made in the discipline till yet. The project will detail the nature of work they want to accomplish in a foreign environment/lab and the future plan to support the University teaching/research after returning to their own institute.
- It will be expected from the faculty member to propose name of aligning University/Centre for their foreign assignment and the details of the concerned foreign expert with whom the faculty member intends to work during the visit.
- Host institute should be internationally recognized academic/research institute for right type of expertise and excellence in the field of agriculture and should be willing to accept and extend necessary support to candidate for the proposed research work. A certificate of this intention from the host university will be required.
- The faculty members will be interviewed by a high-level committee constituted by the Vice-Chancellor for final selection.
- The trainee will devote whole time on the chosen area of training during the tenure and will not seek gainful employment elsewhere. He/she shall not accept any financial assistance from any other source.
- Every faculty trainee shall be required to execute a service bond duly accepted on non-judicial stamp paper as per the AU rules.
