Guidelines:

Screening of Theses would be first taken up at Departmental level and later at College level.

(For screening the above criteria will be used and based on scores attained the best will be selected)

Any student having submitted his/her thesis during preceding two years will be considered i.e., the thesis submitted between **03.8.2015 and 10.8.2017** would be eligible for the nominations

Any student having won the award/considered once shall not be considered for the same award in the following year.

The nominee should not be on AP/CP during his/her PG degree programme in the University

The Dean of the college would select two best (highest rankers) theses each for Masters', and Ph.D. on the basis of marks scored.

The nominated students by the Dean of each faculty would make a presentation on before the judging committee. The judgment would be based on innovativeness, concept, perspective, clarity, quality of research, conclusions and anticipated utility of the results to the Indian agriculture and allied sectors. The presentation would be rated for 50 Marks and 50 marks based on the above scores i.e., scores at faculty level.

An independent judging committee will be approved by the Vice Chancellor on the recommendations of Dean PGS.

Best student award for Masters' and Ph.D. shall be awarded to one Masters and one Ph.D. student at the University level. The highest scorer at College level would be awarded an appreciation certificate for the good work done by him/her.

The finalists coming for presentation would be paid 3 AC railway fares to and from his/her place of correspondence address.

The Award will be distributed during the foundation week.
