

"Industry Oriented Engineering Education"4th and 5th May, 2018**COLLEGE OF TECHNOLOGY****G. B. Pant University of Agriculture and Technology, Pantnagar, Uttarakhand-263145**

Industry-Institute-Interaction (3I) is an important activity for the college of Technology. This activity is running under World Bank funded project Technical Education Quality Improvement Program (MHRD). The component aims to revise and design a strong curriculum based on specific need of the industry. Reorient the academic programme to prepare the graduate for meeting the needs of the industry.

Development of engineering skills of the students in specific industry to initiate their own enterprise is also one of the objectives of this program. Therefore, there is a need to explore the possible liaison between the industries and institutions benefit of the students. To meet out these objectives, two days Workshop is proposed on "**Industry Oriented Engineering Education**" on 4th and 5th May, 2018 at College of Technology Pantnagar under Industry-Institute-Interaction program. Representatives from M/s Bajaj Pvt. Ltd, M/s. Mahindra & Mahindra Pvt. Ltd, M/s. New Holland Pvt. Ltd, M/s. Riddhi Siddhi Pvt. Ltd, Delta Pvt Ltd. and M/s. Perfetti Van Melle Pvt. Ltd. have kindly agreed to participate in the program. This program would be useful to enable students for a smooth ingress to the corporate world after their college life. **All registered participants would be provided a participation certificate.**
