

National Science Week Celebrations

Workshop on Space Technology

As a part of National Science Week Celebrations across India, National Remote Sensing Centre(NRSC), Indian Space Research Organisation(ISRO), Department of Space, Govt. of India has selected G. B. Pant University to deliver lectures and conduct the workshop on space technology. As part of this activity a pool of senior scientists from NRSC / ISRO will be visiting our university during October 4th and 5th 2017 to deliver lectures on Indian Space Technology, Indian Earth Observation System (Remote Sensing and GIS), Web GIS, Bhuwan, G-Governance and allied technology.

The workshop will be highly beneficial to the students, research scholars, scientists, engineers and faculty members. They will have the opportunity to meet Senior Scientists of ISRO and also get enlighten about the career prospectus in Space Sciences.

Venue: Conference Hall, College of Technology (PCT), G. B. Pant University of Agriculture and Technology, Pantnagar.

No participation fee will be charged and certificates will be given to all the attendees on both the days.
