BIS is the National Standard Body of India established under the BIS Act 2016 for the harmonious development of the activities of standardization, marking and quality certification of goods and for matters connected therewith or incidental thereto. BIS has been providing traceability and tangibility benefits to the national economy in a number of ways – providing safe reliable quality goods; minimizing health hazards to consumers; promoting exports and imports substitute; control over proliferation of varieties etc. through standardization, certification and testing.

Since GBPUAT is a MoU partner University of BIS, hence in order to have discussion and hand holding of the laboratory of GBPUAT and to associate closely with the activities of BIS, Northern Regional Laboratory (NRL), Mohali intends to have meetings and interactions with GBPUAT HoDs/ faculty members on the following broad aspects :

1. Empanelment / Recognition of laboratories of GBPUAT by BIS.
2. Introduction and hand holding with regards to the requirements for IS/ISO/IEC 17025 accreditation including identification of any specific training required by the labs of GBPUAT.
3. Provision of providing comments on the Indian Standards and suggesting instrumental methods for incorporation.
4. Sharing of information about the scheme to provide support to laboratories for creation of test facilities in critical areas.

To have discussion on the above points, an online meeting is scheduled to be held on 18 September 2024 at 3:00 PM. All interested faculty members are requested to join the meeting with following link:-
