Dear
College of Agribusiness Management,
CIBPUA 47, Patnagar.

Subject → Regarding alleged Ragging Incident.

Respected Sir,
With due respect- I'm writing to bring to your kind attention an important matter concerning a recent email sent to your office regarding alleged ragging activities by some Seniors or whole batch of MBA 2nd Year. As a student of CABM, I would like to clarify the situation and provide additional context.

I would like to emphasize that I, along with several of my fellow MBA Second Year Students, fully committed to upholding the College's anti-ragging policies & values. During my Admission process, I submitted an affidavit affirming my commitment to not engage in any form of ragging. I have adhered to this commitment steadfastly, and my focus has primarily been on my academic pursuits, preparations for placements, and participation in college activities.

Also, I'm a day-scholar and not reside in college hostel (EB-II). Given my off campus living situation, I'm not physically present in the hostel premises and am not involved in any activities that may be taking place there.

I'm willing to cooperate fully with any inquiries or investigations regarding this incident.

Thank you for your attention to this issue, and I look forward to swift and just resolution.

Sincerely,
Asif Ali

Sub:- Addressing the false accusation of ragging

Sir

Respectfully, I want to address the false ragging accusation that has been put forward against our batch PCTP-2. We are well aware of all rules and regulations. We have filled anti-ragging affidavits during our admissions and are well aware of the consequences if found guilty in any case of ragging.

After review discussions with our juniors on this issue we concluded that the accusation is false and someone is trying to defame CABM deliberately. We promise to maintain the equilibrium between both batches and provide a solution for this discordance.

Thanking you
