

## **G. B. Pant University of Agriculture and Technology Pantnagar, Distt. – Udham Singh Nagar (Uttarakhand)**

### **Student Delegation from France, DEPHIA-2025, Visits Pantnagar University**

***Pantnagar, October 5, 2025.*** A student delegation from France, DEPHIA-2025, arrived at Pantnagar University. This delegation, which traveled from Paris, will be engaged in academic and research collaboration as well as cultural exchange. They will also visit major tourist and religious sites in Uttarakhand. The students will undertake an internship for four weeks at the 'Harbinger of Green Revolution.'

This internship is being organized under a Memorandum of Understanding (MoU) signed between the two universities, aimed at strengthening cooperation in academic and research fields. The agreement includes joint research projects, student and faculty exchange, capacity-building initiatives, and knowledge-sharing efforts. This will lay the foundation for a long-term partnership between France and India.

Under the guidance of the Chancellor of the university, Vice-Chancellor Dr. Manmohan Singh Chauhan, and Director of International Affairs Dr. H.J. Shiv Prasad, along with all members of the university, the French team was warmly welcomed. This initiative reflects Pantnagar University's commitment towards expanding its global presence and establishing reliable academic partnerships.
